

The image features a central scroll with a golden-brown banner. The banner is unrolled and displays the word "UNSCROLLED" in a bold, black, sans-serif font. The scroll is held by two wooden rollers with decorative finials. The entire scene is set against a light beige, parchment-like background with a subtle texture. A decorative golden border with intricate scrollwork and floral patterns frames the central scroll and text.

UNSCROLLED

PARASHAT BERESHIT

Creation. Create and
make. What's
something you've
always wanted to try
and make.
